Suebenie VARIETY GUIDE

If you love blueberries, plant several varieties, so you will have them throughout the summer. Note the chart below for the fruit bearing season of each variety. In addition to having fruit available to you longer, the bushes will cross-pollinize, yielding bigger berries and more fruit.

TYPES OF BLUEBERRY BUSHES:

NOTE THAT CHILL HOURS ARE THE NUMBER OF HOURS BELOW 45 DEGREES

NORTHERN HIGH BUSH

High Chill | NHB Require the most consistent pruning.

SOUTHERN HIGH BUSH

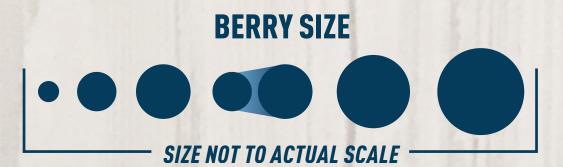

Low Chill | SHB

Most heat tolerant and drought-tolerant

WILD LOW BUSH

High Chill | WLB Best grown in well-drained, gravelly soils.
